

Robert F. Sykes Scholarship

for graduate distance learning engineering students

Criteria for eligibility

- ? Graduate of an accredited College of Engineering
- ? Enrolled in graduate distance education courses through Division of Continuing Education at Kansas State University
- ? Must pursue a Master of Engineering Management through the department of Industrial and Manufacturing Systems Engineering or a Master of Science in Civil Engineering
- ? Will have completed one year of full-time professional work in the field of engineering

How to apply

- ? Complete the KSU General Scholarship Form. This can be found online at http://www.ksu.edu/sfa/application/scholarship_app.html, or at the Office of Student Financial Assistance. Be sure to write your name and social security number on all attachments.
- ? Submit an e-mail to Ellen Stauffer, ellen@ksu.edu, requesting a Sykes Scholarship Checklist. This checklist will be e-mailed to the applicant and MUST be returned to Ellen to complete the application process.

The choice of recipient of this scholarship shall be made by the General Scholarship Committee of Kansas State University. The committee will act upon recommendations made by the College of Engineering Scholarship Committee. Selection will be made in the spring of each year funds are available for awarding to begin the following fall.
