INDUSTRIAL ENGINEERING

Effective: Spring 2019
Rev. Date 06/21/2019

IMSE Electives: The IMSE electives must be selected from the IMSE department. Each course must also be at least 3 credit hours.

Substitutions: IMSE 501 or LEAD 350 can substitute for MANG 420; IMSE 591 and IMSE 592 can substitute for IMSE 580. Conc. or prereq. requirement for IMSE 591 or 580 is 24 credit hours of IMSE courses at 300 level or above.

K-State 8: The courses required for a B.S.E degree satisfy five of the K-State 8 areas. The student must fulfill the aesthetic interpretation (AI), global perspectives (GP), and historical perspective (HP) tags. Most students will fill these tags with their humanities, social science or professional electives.

IMSE Assembly Requirement:
Each semester a student must enroll in IMSE 015 unless he/she is a concurrent B.S./M.S.I.E student, in which case he/she must enroll in either IMSE 015 or IMSE 892.

IMSE Graduation Criterion: At least 6 credit hours of IMSE 500+ courses that earned a D may be applied to a student’s B.S.I.E. graduation requirements.

IMSE Course Rotake Criterion:
Any IMSE course being taken for the third time in any five-year period may not be used to fulfill a student’s B.S.I.E. graduation requirements.

Prerequisite for ENGL 415 is a “B” or better in ENGL 100. ENGL 200 must be taken if ENGL 100’s grade is “C”.

IMSE Electives: (must be selected from the IMSE department. Each course must also be at least 3 credit hours)

Substitutions: IMSE 501 or LEAD 350 can substitute for MANG 420; IMSE 591 and IMSE 592 can substitute for IMSE 580. Conc. or prereq requirement for IMSE 591 or 580 is 24 credit hours of IMSE courses at 300 level or above.

K-State 8: The courses required for a BS学位 satisfy five of the K-State 8 areas. The student must fulfill the aesthetic interpretation (AI), global perspectives (GP), and historical perspective (HP) tags. Most students will fill these tags with their humanities, social science or professional electives.

IMSE Assembly Requirement:
